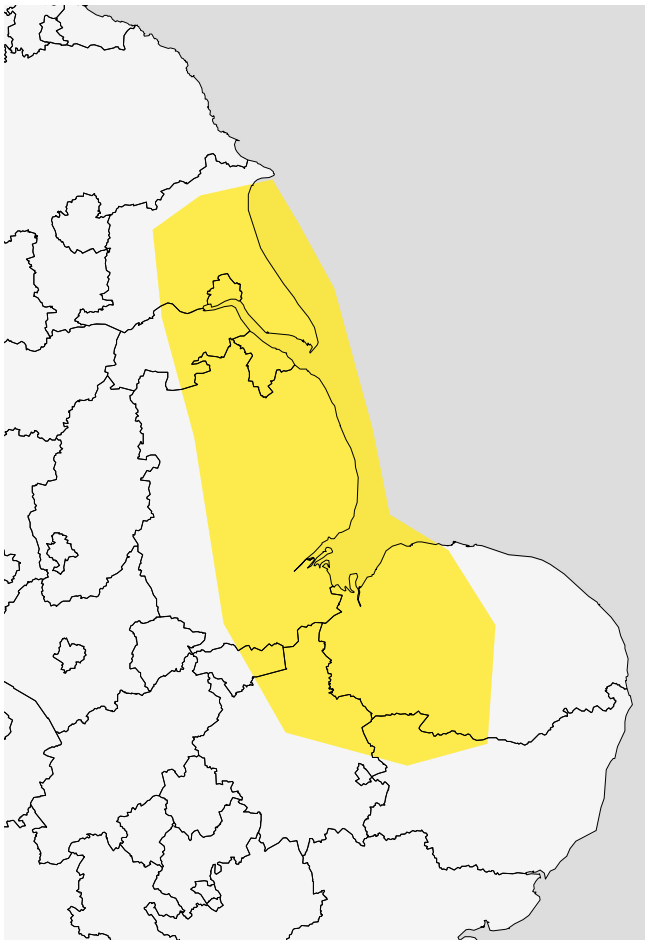
Yellow warning
Thunderstorm

Between
11:00 Tue 20 Jun 2023 and
18:00 Tue 20 Jun 2023



Whilst many areas will miss them, thunderstorms are likely to develop during Tuesday afternoon for some.

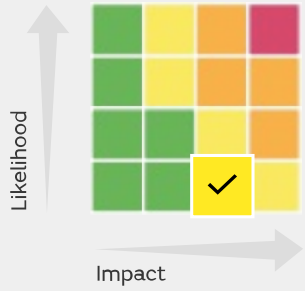
What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- There is a small chance that some communities become cut off by flooded roads
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost

Further details

During Tuesday afternoon thunderstorms have broken out in places. These may bring some torrential downpours with 30-40 mm of rain possible in an hour in one or two places as well as the risk of frequent lightning. Hail of around 2-3 cm diameter is also possible. However, many locations will miss these altogether or see only small amounts of rain.

The thunderstorms will ease from the west and south during the rest of the afternoon.



✓ Very low likelihood of medium impacts
